Dear Mr. Cordell,

It is with great pleasure that I congratulate you for your acceptance into the Revere Premium Renovator Program.

As you know, only those dealers who meet or exceed the qualifications outlined by the program are considered for membership in this exclusive group of renovation specialists. Your exemplary craftsmanship, dedication to customer service, professional business ethics, and commitment to the Revere program have earned you a place among the best remodelers in the industry.

Your membership in the Premium Renovator Program also entitles you to participate in the Premium Renovator Council, where your voice will be heard as an integral part of the Revere network. This unique forum will allow you to help shape the future of the program and exchange valuable ideas with other members.

By demonstrating the importance of confidence, quality and value, you have been distinguished as a Premium Renovator. On behalf of the entire Revere team, I welcome you to the program and look forward to a long and prosperous association.

Sincerely,
